Notes:- Fee per player per night is £6.00 for block payers (£10 if not) payable to Flukey Feathers on the night before the match. You will also need to grab a tube of shuttles if you are the “home” team. Please also note the following two rules in particular:-

The “Home” team provides the shuttles for the match (on the Top Racket site the home team is on the left hand side A). Scores are to be updated on www.topracket.com within SEVEN days of the game being played by the home side. Failure to do so will incur a five point penalty per match that is not updated, for the offending team. During play if a shuttle hits the ceiling it is a fault, any fixtures at ceiling height hit will be a let.

Any queries should be directed to Doug or Russell – contact details below.
